This form of power of attorney to add a mandatory to the customer account is addressed to a customer account holder that has a customer account in good standing who desires to add an authorized person to act as its mandatory and do all actions and transactions relating to its customer account on its behalf. The authorized person, acting as mandatory of the customer account holder, is authorized to manage the customer account holder's account and to execute all actions and transactions relating to such customer account, including, without limitation, the following:

- Management of vehicles: modification / addition / removal of vehicle, addition / removal of transponder
- Management of financial activities: replenishment of account and replenishment mode
- Management of communications: modification of communication mode
- Management of other customer account settings: creation of password
- Access to the history of passages, financial activities and communications

The liabilities and obligations associated with the customer account remain those of the customer account holder. The customer account holder is also responsible for all actions or transactions completed by the authorized person acting as his / her mandatory. The present mandate is granted for an unlimited period of time. The customer account holder may however, withdraw this mandate at any time by contacting the A25 Customer Service. The customer account holder acknowledges and accepts that A25 may rely on all actions performed or undertaken and on all the information provided by the authorized person, acting as his / her mandatory, without any obligation to confirm such actions or information with the customer account holder and without any obligation to obtain any further consent or acknowledgment by the customer account holder.

### CONSENT

I, \_\_\_\_\_ the undersigned, consent to the above authorized person being authorized to access and manage my customer account and to perform all actions and transactions associated with my customer account on my behalf, including, but not limited to, all the actions described above. I also consent to the foregoing provisions.
